

NEW LIFE CHARITY MISSION

MONTHLY DIGEST - September 2025

Sharing our small wins with you

The month of September marked another step forward in our ongoing efforts to care for the elders. Building on the progress of previous months, we focused on not only meeting their daily needs but also enhancing their overall wellbeing. Through consistent nourishment, essential supplies, and personal care initiatives, we continued to bring comfort, dignity, and hope to their lives. This report highlights the activities carried out during September and the impact created.

The two-meal program continued successfully last month, providing elders with nutritious food twice a day. This initiative ensures their health is maintained and that no one goes to bed hungry.”
